

Twirling Twister

Project Workshop with Cara Gulati

Ribbons twirl and float in this fun quilt design! These ribbons are made using gradations in this project workshop. Machine applique makes sewing these ribbons fun and easy. Partial seam piecing is a sneaky piecing method to add modern floating rectangles and squares.

Supply List

Supplies:

- Freezer paper
- Water Soluble Glue Stick
- Masking Tape
- Invisible Thread
- Black thread
- Pins
- Pencil
- Paper and fabric scissors
- Rotary cutter and mat
- See-through ruler
